The Essential Mentee Webinar

The **Essential Mentee webinar** provides you with the opportunity to optimise your role as a mentee in a mentoring relationship. Rather than guess at the key steps to success, or waste your time on web searches, this webinar lays the groundwork for you to quickly and easily get underway as a mentee who is able to build a great mentoring relationship and achieve success in mentoring.

As a recent mentee said to Gilly: *'Thanks for your presentation yesterday - you were really relatable and I got alot of energy from thinking about what I could do with my next 12 months. I am feeling like there are possibilities now, where I felt like there were only barriers before. Thanks! (Mentee, 2019)*
